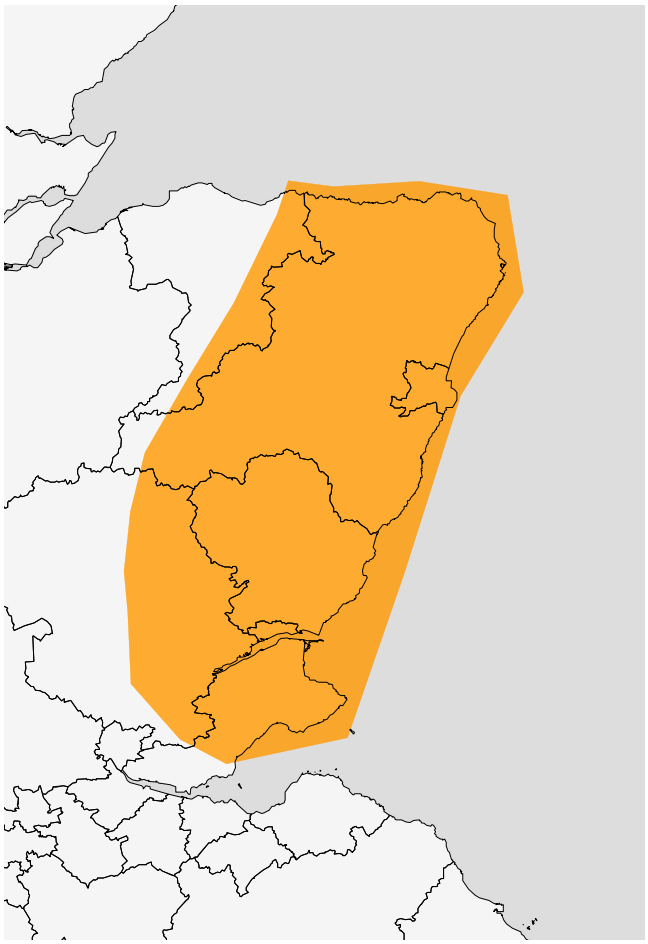
Amber warning
Rain

Between
18:00 Sat 3 Oct 2020 and
06:00 Sun 4 Oct 2020



Heavy and persistent rainfall will bring flooding and disruption to travel

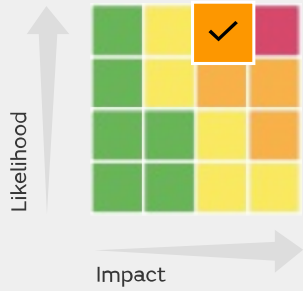
What to expect

- Homes and businesses flooded and damage to some buildings
- Danger to life from fast flowing or deep floodwater
- Delays or cancellations to train and bus services
- Spray and flooding leading to difficult driving conditions and some road closures
- Some communities cut off by flooded roads
- Power cuts and loss of other services to some homes and businesses

Further details

An area of rain is expected to move into Scotland from the east on Saturday morning and persist though to Sunday before clearing westwards.

This will bring widely 40-70 mm of rain to this area with over 120 mm likely over the high ground and to flooding and travel disruption - particularly across parts of Aberdeenshire and Angus.



High likelihood of medium impacts
